

**Important announcement – please read**

**The curbside bulk/green waste program has changed for the 2011 calendar year. We now offer curbside pickup in April and October only.**

During April and October we will pickup both bulk waste items, (items that are too big and bulky to fit into your garbage can), and green waste items, (branches and boards cut into 4' lengths or less and bundled). ***All items for pick up must be placed out on the curbside prior to 7 a.m. on the specified week. Please note that we will no longer offer green waste pickup in May, June, July, August, or September.*** However, a 30-yard green waste dumpster may be rented during these months for \$125. We will also continue to offer the large container for trash for \$180. Please contact City Hall at (801) 567-7200 to schedule either of these services.

Green waste items include:

Tree limbs, wood products such as 2 X 4's plywood, particle board, etc. These items must be cut into 4' lengths and bundled. Grass clippings, weeds, non-woody plants, and bagged items are **NOT** included and will need to be put with the bulky waste items to be picked up.

Bulky waste items include:

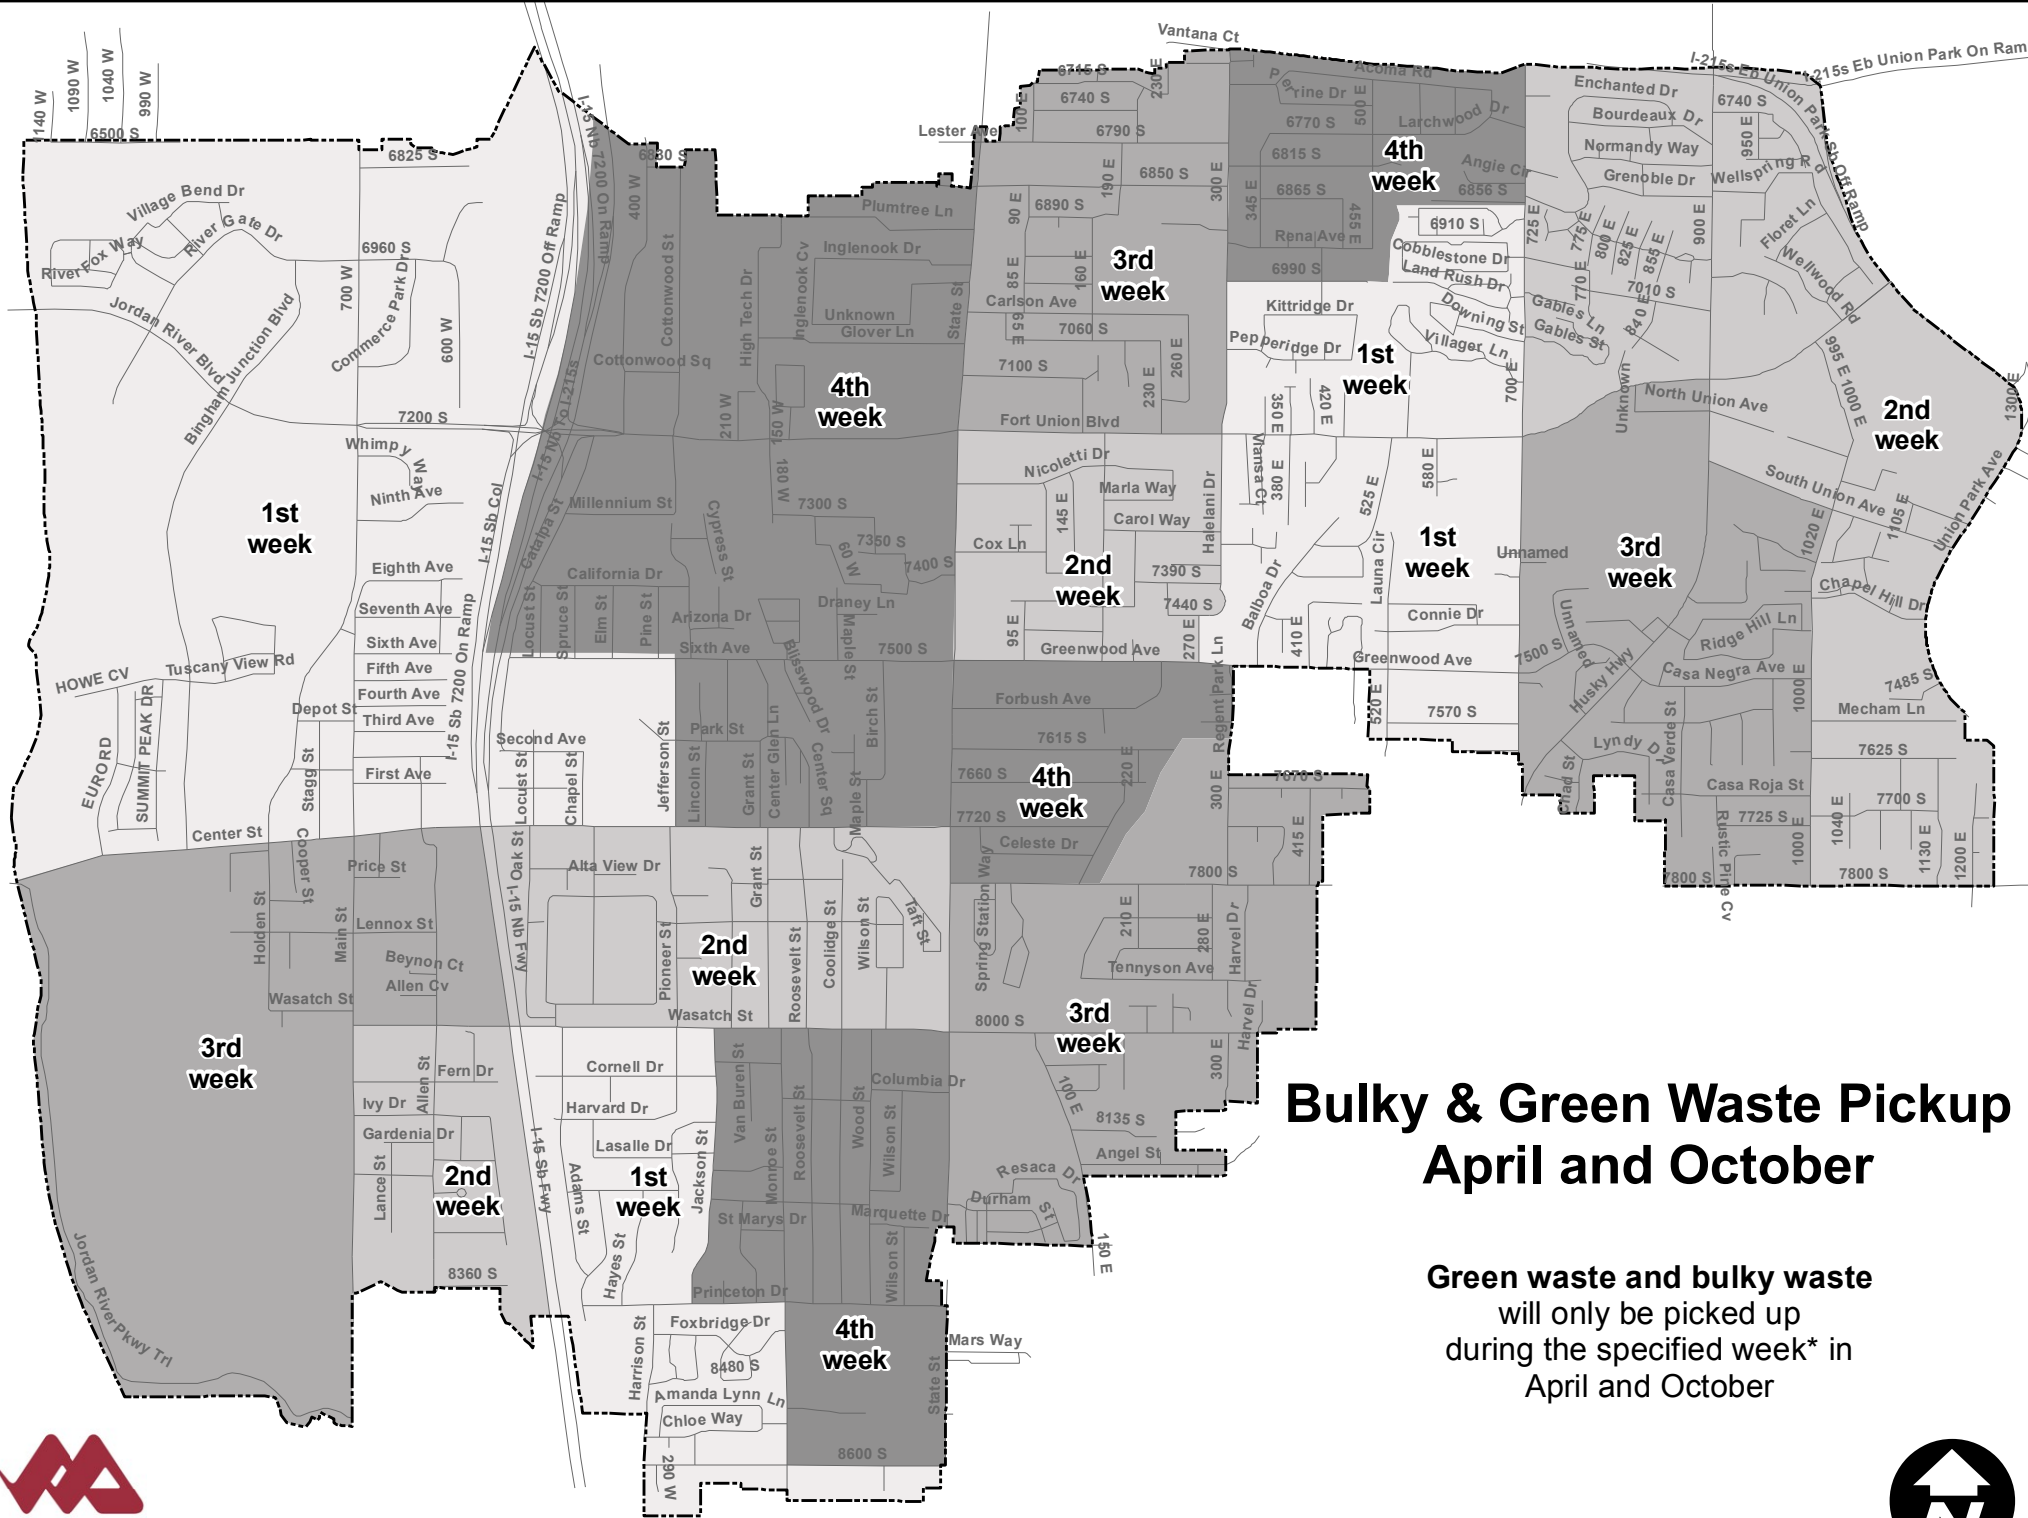

Furniture, household appliances, carpet, minor/small automobile parts, grass clippings, weeds, non-woody plants and other items too large to fit into your trash container. All Freon and other refrigerants must be removed from freezers, air conditioners, and refrigerators by a professional and the appliances must be tagged with a copy of the receipt that this has been done.

**Unacceptable items include:**

Rocks, concrete, gravel, dirt, asphalt  
Construction debris  
Large vehicle parts, tires, or propane tanks  
Oil, gas, batteries, or paint  
Any flammable, toxic, or hazardous materials

Please see the City's website ([www.midvalecity.org](http://www.midvalecity.org)), for further information.

***Bulky and green waste will be picked up in April and October only.***
