Welcome

Ace Disposal strives on a daily basis to provide the best possible service for our customers. We thought that it would be a good idea to send out a quarterly newsletter to inform our customers of what services we are currently providing and any new ideas that we are implementing. We hope you enjoy the newsletter. If you have any questions or want more information regarding a certain topic that we discuss, please feel free to call or e-mail us; and we will be glad to answer your questions.

Single Stream Recycling

We have started a new recycling program. We've been working on getting a program going for a while, and it is finally here for the Salt Lake Valley. This service starts September 1, 2008.

This service will help preserve our communities and help prevent our landfills from overflowing.

If you are interested in the program or want more information, please give us a call. We will be able to direct you to your account representative to give you pricing and more details.

We are very excited about this program, and we hope that you will enjoy it as well. There are multiple can sizes that you

Acceptable Items	Unacceptable Items

Aluminum Cans	Styrofoam
All Plastic Bottles	Glass (any kind)

can use for the service. We have all front load container sizes as well as the 95 gallon automated.

1st Annual Charity Golf Tournament

All of the donations that we collected this year benefitted The Road Home. The tournament was held at Jeremy Ranch, and everyone had a great time. The weather worked in our favor which made it nice.

Congratulations to the winners: First Place: Midgley Construction, Second Place:

Rocky Mountain Recycling, and Third Place: Rocky Mountain Pies.

Congratulations to all the other winners for the other contests that we held.

We want to give a special thanks to all those who helped donate to our charity golf tournament. Because of all of your

donations, we were able to donate \$21,525 to The Road Home.

Thank you to all of those who participated in our tournament. It was a huge success. We are excited for next year, and we hope you all will join in on the fun.
